Sir:

In reviewing the above-identified patent, a printing error was discovered therein requiring correction in order to conform the Official Record in the application. The error was made in good faith and was of a clerical or typographical nature or of minor character.

During a discussion with Examiner Turk and Applicants' representative on October 14, 2010, it was agreed that the certificate of correction to correct this error would be accepted.

The error noted is set forth on the attached copy of form PTO-1050 Rev. 2-93 in the manner required by the Commissioner's Notice.

Specifically, in the Claims, in Column 20, Line 30 (Claim 9), The stirring method in accordance with claim 7..., should read, The stirring method in accordance with claim 8....
